## Implementation of Emergency Conflict Surcharge (ECS)

Dear Valued Customers,

Due to escalating security tensions and regional conflicts, we regret to inform you that an Emergency Conflict Surcharge (ECS) will be imposed. This measure is essential to ensure the continued safety of our crew, vessels, and cargo across all affected shipments. Detailed terms are outlined below.

### 1. Surcharge Quantum

USD 2000 per 20' Dry Container

USD 4000 per 40' Dry Container

USD 4500 per Reefer or Special Equipment

### 2. Scope

This surcharge shall apply in addition to all existing tariff and service contract rates, and covers intransit cargo from Asian ports, including goods loaded on vessels that departed prior to the effective date but have not arrived at the final destination by March 3, 2026.

We value your understanding and ongoing support as we navigate these operational challenges. Please do not hesitate to contact your local sales representative should you require any assistance or further information.

Sincerely,
